RE: FY 16 -18 Information Technology Strategic Plan

Dear Colonel Settle:

I am pleased to inform you that I have approved your agency's Information Technology Strategic Plan (ITSP). As you know, CIO approval of your plan is required by the Code of Virginia.

In keeping with Governor Ralph S. Northam's commitment to make government more agile and accessible to citizens, the commonwealth is modernizing service delivery, in part, through information technology. Information Technology Strategic Plans are essential to agency business planning; therefore, it is important to keep IT plans up to date as agency business requirements change. Agency ITSPs can be amended as business priorities dictate. If your business planning requires a change in your ITSP, please contact your Virginia Information Technologies Agency customer account manager.

My sincere appreciation for your continued support and cooperation.

Sincerely,

A handwritten signature in black ink that reads "Nelson P. Moe".
