This letter is to inform you of my interest to be a member of the Regional Advisory Council. Although I do not have a technical background, I feel my experience of being a Communications Officer for over forty years, experience in implementing a NG 9-1-1 system, may benefit my fellow PSAP managers as we see the region move into the future. I do desire to see other centers move forward into the NG 9-1-1 system statewide.

Respectfully,

C.W. Thomas
9-1-1 Director
Office of the Sheriff
County of Franklin VA
