Project Description:

Total Project Cost \$13,210.00

Amount Requested: \$13,210.00

Statement of Need:

Please consider our request for a HP Designjet 4500 Printer (Plotter) for the Center. Twin County E-911 Center supports GIS work in Carroll County, Grayson County and the City of Galax. Our present printer (plotter) is nine year old and is in need of replacement. The localities were not able to find funding for this project and we are asking you for help.

Comprehensive Project Description:

Replacement of the old printer (plotter) would be performed as soon as the grant is approved and funded. With the new printer (plotter) we would be able to print maps with more detail and better print.

How will the equipment purchased will support future technologies for PSAP readiness?:

As mapping for GIS will become more complex, and detailed so will be printing of the maps. The new printer (plotter) can support this change in requirements.

Budget and Budget Narrative:

We are attaching the price quotation from the vendor for the cost of the HP Designjet 4500. This printer (plotter) will meet our needs and we hope last nine years and our old hp printer (plotter) has performed for us. The total cost for the grant is \$13,210.00

Evaluation:

Evaluation of this project will be performed by the 911 coordinator on site.
