Project Description:

Total Project Cost \$51,000.00

Amount Requested: \$51,000.00

Statement of Need:

Russell County E-911 Communicaitons Center is in need of funding to maintain our level of service to the Wireless and Wireline 9-1-1 community. Reduction of local funding has drastically reduced our day-to-day operational expenses and has even affected our ability to move forward with necessary upgrades such as that needed for our CAD system.

Comprehensive Project Description:

This project is to upgrade our existing CAD system. It will include the necessary hardware, support, and services to provide a consistent level of services for our citizens and responders.

How will the equipment purchased will support future technologies for PSAP readiness?:

This upgrade will assure that 9-1-1 operations and functions can move forward in meeting the needs of emerging technologies.

Budget and Budget Narrative:

Southern Software CAD system upgrade with 5years of warranty is attached.

Evaluation:

Installation of upgrade will be overseen by the 9-1-1 Coordinator. The vendor will be expected to ensure that every performance measure is met and acceptance will not be granted until such time.
