Project Description:

Total Project Cost \$18,749.00

Amount Requested: \$16,593.00

Statement of Need:

Additional CAD station would be used for administrative update of CAD and management of GIS system by CAD Administrator and PSAP IT, as well as for training, without interrupting dispatch operations.

Comprehensive Project Description:

To update CAD data, and to merge ArcView data with CAD GIS data, correcting flaws, without using a CAD/GEO station that should be in use for dispatch operations. Implementation: 90 days. Longevity: indefinite.

How will the equipment purchased will support future technologies for PSAP readiness?:

Undetermined.

Budget and Budget Narrative:

CAD software \$8500; mapping software \$3150; workstation \$2443; configuration/ implementation \$2500.

Total \$16593

Evaluation:

Reliable operation of workstation will constitute success.
