COMPREHENSIVE PROJECT DESCRIPTION

Describe how the education/training is 9-1-1/public safety communications specific and how this will benefit E-911 and the employee(s) and/or PSAP.

The Virginia EMS Symposium offers courses and topics related to emergency communications. Examples of topics include EMD, major events planning and communications, quality assurance in the communications center, interoperability, emerging practices and concepts, etc. Speakers are subject matter experts from both Virginia and nationally.

EVALUATION

Describe the evaluation process that will be used to determine if participation in this education/training benefited the PSAP and/or supported E-911 and GIS.

The attendee is asked to provide a review of the courses they attended to determine if they provide a benefit to the PSAP. Previous experience has found the symposium to provide quality education form emergency communications personnel.
