COMPREHENSIVE PROJECT DESCRIPTION

Describe how the education/training is 9-1-1/public safety communications specific and how this will benefit E-911 and the employee(s) and/or PSAP.

The education/training received during the conferences is targeted toward 911/public safety communications. The trainers are experts in their field of knowledge for emergency communications and related topics. The benefit of receiving training at the conferences has been proven to be valuable and appreciated by the dispatchers. The students are receiving educational information that will improve their performance and understanding of this complex profession.

EVALUATION

Describe the evaluation process that will be used to determine if participation in this education/training benefited the PSAP and/or supported E-911 and GIS.

The training coordinator will assign instructors to convert the material obtained during the conference into lesson plans that will be taught to all of the staff that were unable to attend the conference. This will spread the knowledge and continue the education process to all of the dispatchers.
