ABC Health Care Organization

**Certification &
On-boarding**

Certification and On-boarding

- ✧ Required for Nodes to participate in Connect Virginia EXCHANGE service
- ✧ Ensures all Nodes participate uniformly
- ✧ Guarantees the integrity, security and reliability of the exchange of information
- ✧ Technical standards
- ✧ Trust standards
- ✧ Operational standards

Technical Standards

✧ Align with the NwHIN Standards & COV Standards

✧ Connect Virginia Guides

- Connect Virginia EXCHANGE On-boarding and Certification Guide
- Connect Virginia EXCHANGE Services Implementation Guide
- Connect Virginia EXCHANGE Clinical Content Implementation Guide
- Connect Virginia EXCHANGE Node Certification Testing Guide

Trust Standards

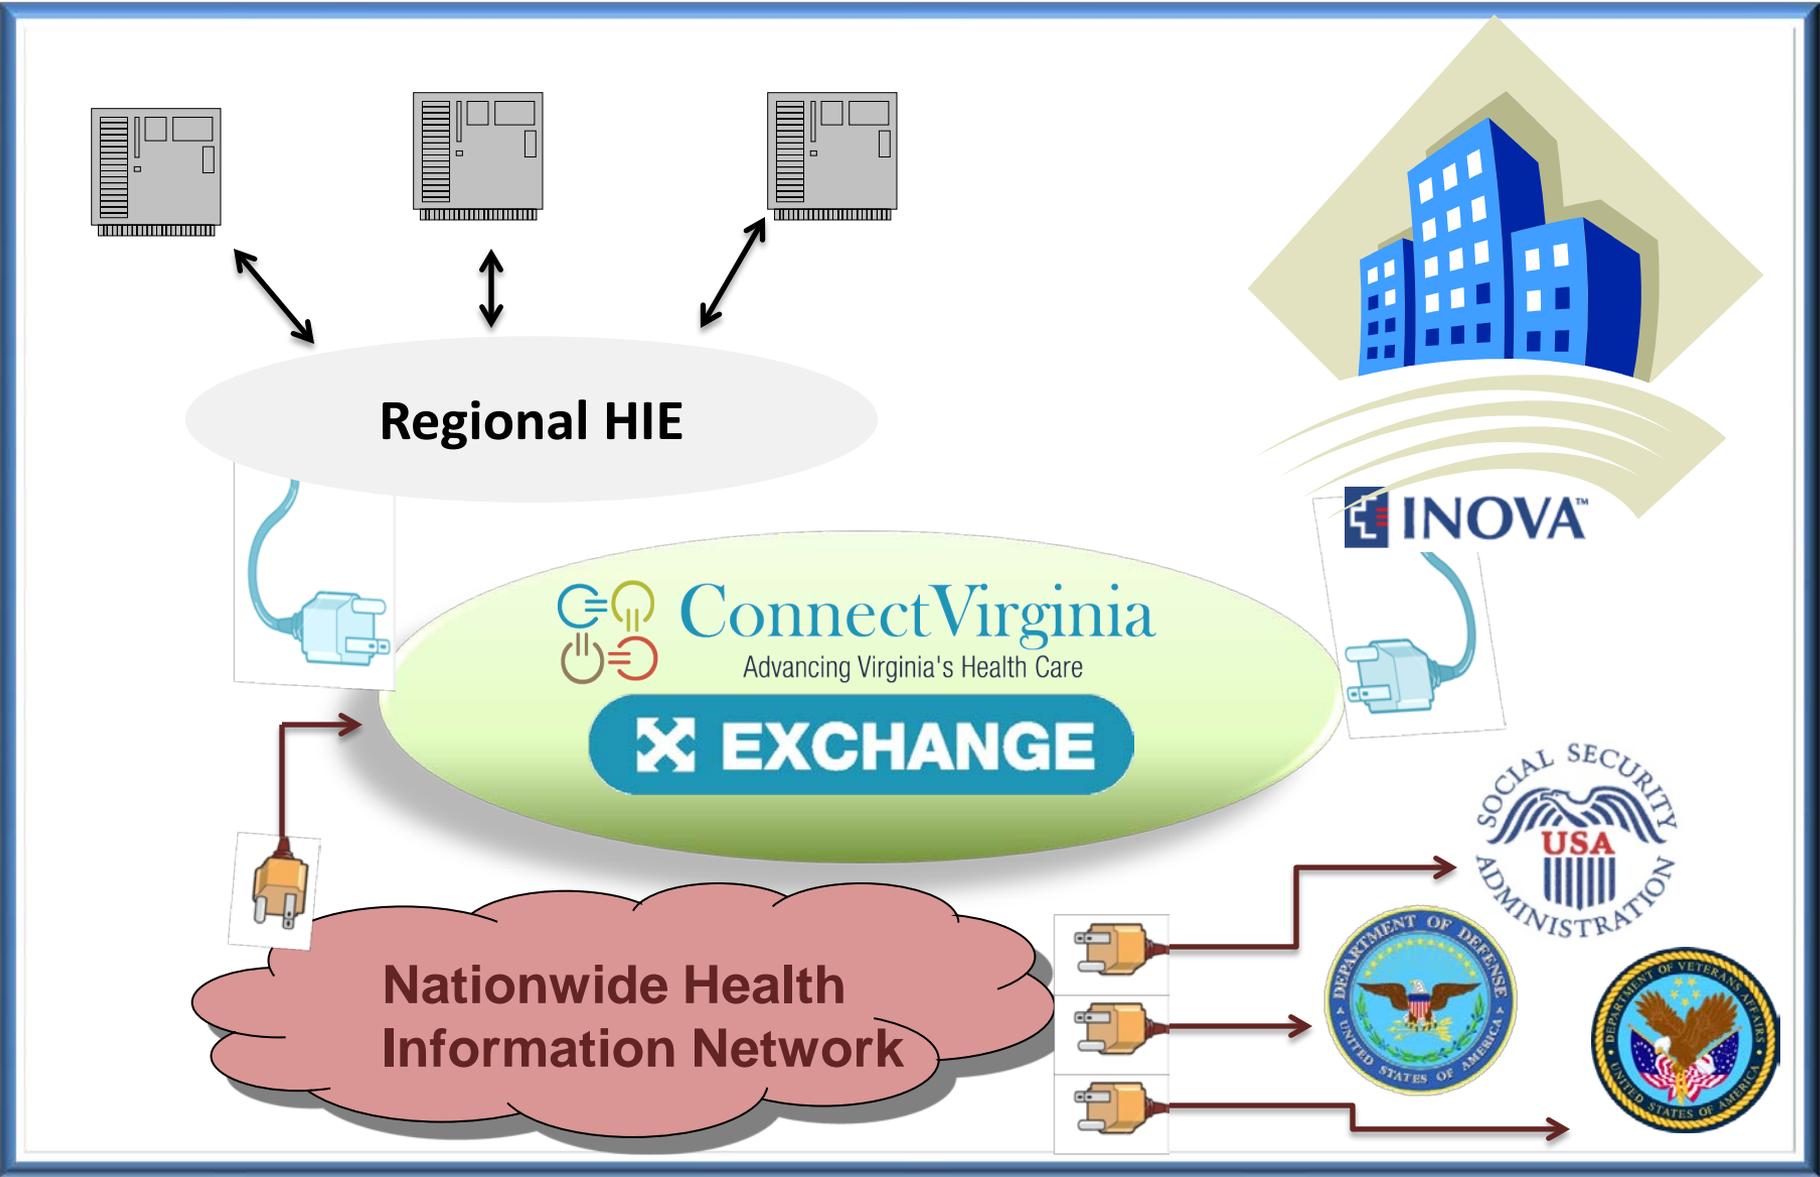

- ✧ Align with the NwHIN DURSA (Data Use Reciprocal Support Agreement)
- ✧ Must accept, sign and act in accordance with the Connect Virginia EXCHANGE Trust Agreement

Operational Standards

- ✧ Align with NwHIN Operational Standards
- ✧ Agree to comply with the Connect Virginia EXCHANGE Operational Policies and Procedures
- ✧ Comply with specified SLAs

Process

- ✧ Submit Completed Application
- ✧ Connect Virginia Staff summarize application responses
- ✧ Governing Body approves applicant meets eligibility criteria
- ✧ Applicant Node proceeds with technical Certification Testing
- ✧ Test Results Reviewed and Applicant Node either passes or fails Certification Testing
- ✧ If Certification Testing is passed, all associated agreements executed and required payments remitted, Node is approved.
- ✧ Node is given credentials and on-boarded to Connect Virginia EXCHANGE

Success!
