Policy Director

Information Technology Advisory Council
May 4, 2015

Item 424 (E) Requires ITAC Recommendation

- ITAC shall make written recommendations to JLARC by Nov 1, 2015 as to how to improve agency involvement in the IT decision making process
- In making such recommendations, ITAC shall
 - Consider the appropriate level of agency involvement in decisions regarding governance
 - Balance the need to involve multiple stakeholders with the need to make timely decisions
- Such recommendations may be
 - Policy (could be implemented immediately)
 - Legislative (concerning the statutory governance structure)
